BROADCAST :

An original petition under 37 C.F.R. § 1.137(a) was filed on March 14, 2007, which was dismissed via the mailing of a decision on June 14, 2007.

A renewed petition was filed on July 9, 2007, which was granted via the mailing of a decision on August 6, 2007. The decision on the renewed petition contained a typographical error, in that on the second page, the decision set forth:

The holding of abandonment is WITHDRAWN (emphasis included).

The petition was granted, however it was improper for the Office to withdraw the holding of abandonment. The holding of abandonment is not withdrawn.

The Office regrets this typographical error.

The Technology Center will be notified of this mailing.

Telephone inquiries regarding this letter should be directed to the undersigned at (571) 272-3225<sup>1</sup>. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
